

# Veterans Track

## Open to All who have Served

Did you serve in the armed forces? One month, one year, one decade, one lifetime? If yes, you are welcome at Advocate Aurora's new Veteran Track. These are services designed and delivered by veterans for veterans. Services include:

- Individual therapy
- Family & Couples therapy
- Medication
- Veteran Outpatient Classes
- Veteran Support Groups
- Veteran Intensive Outpatient Program

These services are tailored to former and current military members. Veterans' benefits or service-connection are not required.
